**Local public hearings give customers of the Company an opportunity to comment on the rate proposal currently before the Public Service Commission. In addition, customers can bring any service related problems to the attention of the Commission.**

On December 30, 2003, Fidelity Telephone Company filed a rate request with the Public Service Commission seeking to increase annual telephone revenues by approximately \$2,359,970. Fidelity Telephone Company provides telephone service to approximately 16,700 access lines in the Missouri counties of Crawford, Franklin, Gasconade, Washington and Osage.

Fidelity Telephone Company is seeking to increase the basic monthly telephone rate for one-party residential customers from the current rate of \$7.55 a month to \$11.25 a month. For one-party business customers, the telephone company is seeking to increase the monthly telephone rate from \$14.25 a month to \$18.95 a month. The telephone company is also seeking to increase the rates of a number of other non-basic telephone services including the local toll Outstate Calling Area (OCA) plan and directory assistance charges. In addition, Fidelity Telephone is seeking to increase the rates charged to long distance carriers for access to the Fidelity telephone network to complete a long distance call.

Formal hearings in this rate request are scheduled to begin on April 7, 2004, in Room 310 of the Governor Office Building, 200 Madison Street, in Jefferson City. Hearings will continue through April 9, 2004, if necessary.
